Dear potential sponsor,

I am writing you on behalf of Mariam Breant, the creator of *Centre International pour L'enfant et La Mere*, or *The International Center for Children and Mothers*. This organization was created to raise awareness and increase aid to Seguela's hospital, which is in an extremely poor condition and has a very large number of child patients. The hospital is in need of various supplies to keep it sanitary and safe for the patients. The hospital beds are in terrible condition with staining and wear from previous patients. This is not suitable and Ms. Breant is trying to change it.

Mariam Breant is also a highly recognized singer on the Ivory Coast, who has always had a passion for music and children. Ms. Breant is partnering with the Capital Area Food Bank to present an event called, *Performing for the Future*. Ms. Breant will host the event, with all ticket sales and donations benefiting both organizations. It will take place on \_\_. There will be youth dancers from various dance companies in the D.C. area performing, and there will also be a special performance by Ms. Breant.

We would be grateful if you could contribute to this cause by becoming a sponsor of our event. As a sponsor you receive a full page ad in our program. This program will be given to all participants of the show and attendees. Your name will also be mentioned throughout the program. Any publicity we receive can be directly associated with your organization.

As a food/drink sponsor we ask that you also bring products for the attendees to sample. The food or beverage must first be approved by our board members.

If you cannot offer any services we will accept any kind of donation. Donations below will allow your company to place an ad in our program and get in touch with hundreds of Washingtonians during the first annual **Performing for the Future** fundraising event.
